

## **SITE LICENSE AGREEMENT**

**IMPORTANT – PLEASE READ** this Site License Agreement (SLA) between you (either an entity or an individual) and C&S Solutions governing your use of the computer software and associated media you have acquired from C&S Solutions. By installing or otherwise using the computer software you agree to be bound by the terms of this SLA. If you do not agree to the terms of this SLA, you may not use the computer software and you should promptly return it.

### **LICENSE:**

The computer software contained on the software media that you have received is the property of C&S Solutions and is protected by COPYRIGHT law. You (either an entity or an individual) are granted a nontransferable, nonexclusive license to use the Program(s), that you have purchased from C&S Solutions or a registered dealer, under the terms stated in this agreement. The grant of rights to the Program(s) is not a sale of the Program(s) or any portion thereof and does not convey any rights of ownership in the Program(s). You hereby acknowledge that all title and ownership of the Program(s) and all associated intellectual property rights are and shall remain with C&S Solutions.

### **LIMITATIONS:**

#### **You may not:**

- Copy the printed documentation that accompanies the software media.
- Make modifications to the contents of the software media or any portion thereof.
- Make translations of the contents of the software media or any portion thereof.
- Sell, lease, sublease, or rent any portion of the contents of the software media.
- Reverse engineer or make any attempt to discover the source code of the contents of the software media or create derivative works from the contents of the software media.
- Install and run any of C&S Solutions software programs on a web-based (internet) system.
- Allow students or other users to run C&S Solutions programs on home computers, laptops, or on any computer not located at the immediate institution.
- Give, rent, sell, lease, or sublease the C&S Solutions software programs located on the software media to students or other users.

#### **You may:**

- Install and run the contents of the software media on the primary network system of the immediate institution's primary campus at one geographical location.
- Install and run the contents of the software media on any computer workstation owned by the immediate institution and located at the primary campus location at one geographical location.

### **TECHNICAL SUPPORT:**

Technical Support will be limited to the initial installation and follow-up technical issues associated with C&S Solutions software. Upon registration of the Program(s), New and Upgrade Licensees will receive FREE technical support for (1) one year from the date listed on the software media that contains the program(s) or until the release of an upgraded version of the program(s); whichever is later.

NOTE: C&S Solutions does not support outdated versions of our software programs.

### **PRIVACY POLICY:**

C&S Solutions does not collect personal data from users or students through our programs. Our programs are neither web-based nor cloud-accessible. No data is collected when you browse our website, [www.cssolutions.biz](http://www.cssolutions.biz). Additionally, we do not share any information provided to us during the purchasing process with third parties.
